EXCiPACT asbl provides management oversight for the high quality, voluntary, international EXCiPACT Certification Scheme that provides for independent, third-party GMP and/or GDP certification of manufacturers and distributors of pharmaceutical excipients worldwide. The Scheme will ensure patient safety through supplier quality while minimising the overall costs for assessing the excipient supply chain. It has been operational since early 2013 since when there has been considerable interest among pharmaceutical excipient suppliers, customers, and regulators.
